- T-Perfs

Turn a reply into an experience.

AFFIXING

Make it Tactile

- Cards, tokens & keepsakes affixed inline
- Precision placement at mailing speed
- Coin & currency affixing
- Multi-stamps on the OE and/or BRE

A piece they can feel lifts response.

INSERTING & MATCHING

The right piece, every donor

- Color inkjet & 2D verification
- Complex multi-component packages
- High-speed matching
- Match and Read / Write

Complex packages, verified accurate.

DEEP PERSONALIZATION

Personal at scale

- Automated 2D personalized Post-its
- Color ink-jet messaging on the OE & other components
- Variable data across the whole package
- Deep, multi-touch personalization

Every donor feels hand-picked.

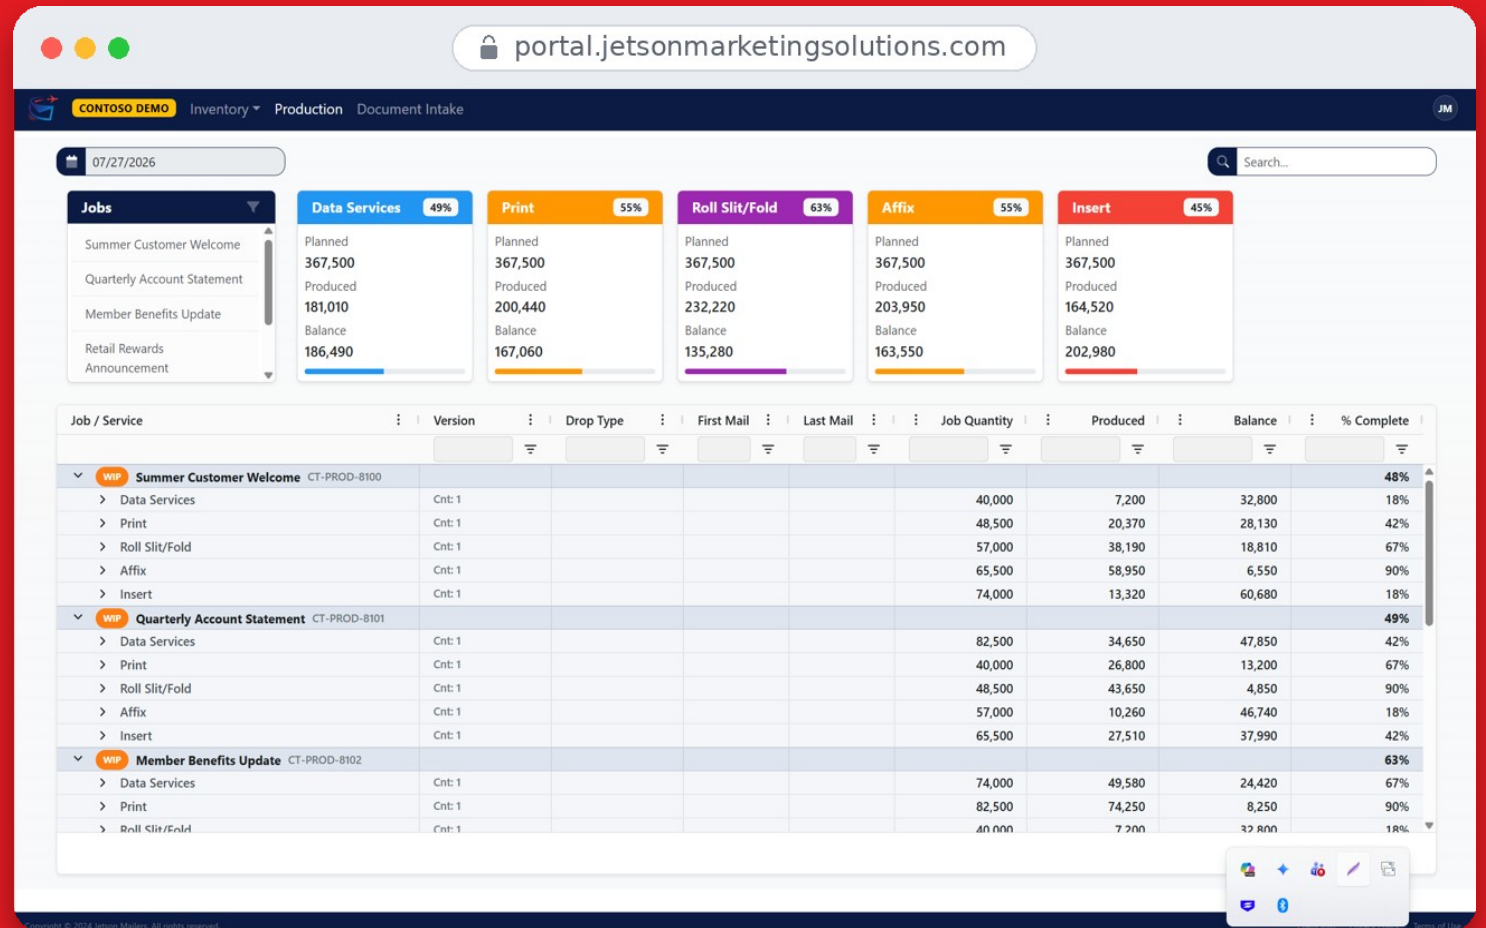

CLIENT PORTAL

Jetson Production Portals

Track every job in real time, from receiving through mail date.

- Updated hourly
- Available 24/7
- Receiving, inventory, and all services
